

FRANKIE TAYLOR

I'm Frankie, a design graduate from Oxfordshire, currently living in Stratford-Upon-Avon. I have a very broad Design degree so I can tackle all manner of briefs and projects. I'm dyslexic, that allows me to have a totally new outlook on things.

PROFESSIONAL EXPERIENCE

REBELLION | 2010
Video Games tester

FLEUR DELYS | 2012 - 2014
Waitress and Bar & Kitchen assistant

CARBON COLOUR | 2012 - 2015
Work experience doing a series of photography for
the business to promote itself via its web site and
printed brochures, learnt about imposition and day
to day pressures clients impose.

CARBON COLOUR | 2015
Spent part of the summer working on web
updates, produced ideas for an up to date sales
brochure and helped finish a series of printed
projects - making sense of some of the theory.
Along with a series of graphical outcomes.

JJ MARKETING | 2016
Worked on a series of live projects, helped research
and develop themes for a newspaper campaign,
contributed to team led brainstorming sessions
and worked with the creative director developing
ideas for the promotion of a new portable blue
tooth sound system.

PHOTOBOX/ MOONPIG | 2016
Created a series of new ideas for several sections of
greeting cards - gained exposure to the world of
personalized gifting and worked in the Metal Box
Factory on Moonpig items.
